

Top 5 Things you should know about The SHADOW Program

5. It's too easy.

All you have to do is attend an event in each category of "SHADOW" by November 16. When you go to the event, find a SHADOW program assistant (wearing very bright tees and carrying clipboards) and sign in. So many events count and we're constantly adding more! Check your emails for updates on your progress and Facebook for new events!

4. You're probably already going to these events anyway.

The SHADOW Program is an acronym for important events on campus- Service and Leadership, Hawk Pride, Academics, Diversity, Organizations and Involvement, and Wellness... so many of the events that count for the SHADOW program are things you WANT to go to anyway! We count events like the Involvement Fair, Majors Fair, athletics events, etc.

3. You'll have fun.

98% of the students who finished last year said it was fun and they'd recommend it to new students. The most common response on our survey was that it was a good way to meet other students and learn about campus.

2. You win stuff.

If you complete the SHADOW Program, you are guaranteed a free sweatshirt AND win a chance at AMAZING raffle prizes. Last year's grand prize winners won things like \$500 to the MU Bookstore, concert tickets, NHL tickets, an iPad and MORE!

1. This is what college is all about.

Meeting people, trying new things, learning something new... and having fun along the way!
