shadow
program

Welcome to the SHADOW Program! This is a 9-week challenge exclusively for first-year students to get involved on campus during the first 2 months of school. If you choose to participate, you need to go to 1 event in each of the 6 categories to complete the challenge and be eligible for prizes.

Weekly emails with eligible events will be sent for the duration of the program so be sure to check your email to see what events have been added!

What is the SHADOW Program?

9-week challenge for first-year students to get involved on campus during the first 2 months of school. You need to go to 1 event in each of the 6 categories to complete the challenge and be eligible for prizes.

How do I sign-in and track my progress?

There will be a SHADOW Program Assistant at each event in a neon yellow t-shirt. Find them to sign-in on the roster.

You are encouraged to keep track of your own progress but if you need an update, you can email shadowprogram@monmouth.edu.

What is the timeline?

You get credit for attending designated events Monday, September 8th through Friday, November 7, 2014. After November 7th, students who have completed the challenge will be notified to receive their sweatshirt and get further instructions on how to enter the raffles.

Why should I participate?

This is what college is about; meeting people, trying new things, learning something new, and having fun along the way!

Plus, every student who completes the challenge will receive a free MU sweatshirt! You will also gain the opportunity to enter raffles for amazing prizes like a \$500 gift card to the MU bookstore, concert/athletic event tickets, and an iPad!
