

Fulbright U.S. Student Program Information Session:

Monday, March 22, 5:00-6:30

Are you a student or recent graduate of Monmouth University interested in attaining enhanced global understanding? Do you seek cross-cultural experiences and the opportunity to aid the world through service, research, and teaching? If so, please join us for a national interactive Group Presentation Session (GPS) to learn about Fulbright awards, the application process, and tips for success in the 2022-2023 application cycle, which begins on April 1, 2021.

Following the program overview presentation, attendees will enter a breakout room with Dr. Mihaela Moscaliuc, MU's Fulbright Program Adviser (FPA), to learn more about applying through MU and the individualized support available during the application process.
