The Confidential Chat

"When I think, my dear, how I used to work and worry over dessert, and over anything to be served when friends dropped in, I cannot be too thankful for Jell-O.

"If everything for the table were as easily made up as

JELL-O

there would be more time for rest and recreation for women."

Jell-O is for dessert, and there is no dessert so simple or so elaborate that it cannot be made of Jell-O.

There are seven Jell-O flavors: Strawberry, Raspberry, Lemon, Orange, Cherry, Peach, Chocolate.

Sold by all grocers, 10 cents a package.

The beautiful Recipe Book, "DESSERTS OF THE WORLD," illustrated in ten colors and gold, will be sent free to all who write for it.

STYLE and EASE during
MATERNITY

You who are pro-
spective mothers:

Know that the H. & W. (Marni) Maternity Corset Waist gives a trim and stylish figure—without the slightest endangerment to the well-being of either mother or child—throughout the entire wearing-period.

Scientifically designed to give support wherever needed, it is soft and pliable with lacings on either side, adjustable in the comfort of the wearer. And thus, also, it holds the figure stylishly and naturally after confinement. All steels removable.

Particularly desirable in convalescence or after surgical operations. In fact whenever steps are desirable but corsets are too unyielding this Waist is unapproachable for comfort and stylish lines. Made with lutton or clasp front.

Size 20 to 36. Price \$3.00 at all dealers—
or sent prepaid on receipt of price.

Full Bust and Graceful Figure

If your figure lacks the lovely lines of beautiful womanhood—if you desire a shapely bust and superb figure without waiting for natural development—these are yours to command with the H. & W. Dress Form and Corset combined.

More than this: In wearing this garment, which is constructed on scientific principles, you really aid Nature to supply your figure's deficiencies.

The use of unhygienic, unsightly padding is now unnecessary. Without straitjacket effort, also, your shoulders will be kept erect, and your figure will conform to the prevailing "Anglo-Bull" best straight waist and long lines.

No 1904 X \$1.00

The H. & W. Dress Form is adjustable to any size without lacing. Order by actual waist measure only.

Size 18 to 26. At all corset departments—
or sent prepaid on receipt of price. \$1.50
