**FAIRY SOAP**  
 The OVAL CAKE

Whiteness is a guarantee of purity. Most white Soaps turn yellow in use; Fairy Soap does not. It is white when you buy it—stays white while you use it—is white first, last and all the time. The last water is just as good and pure as the original cake. Contrast the color and purity of Fairy Soap with any other white, floating soap. Each cake of Fairy Soap is wrapped and packed in a separate carton, keeping it fresh and clean. Insist upon your dealer supplying you with Fairy Soap—the Oval Cake.
