

Dry Sausage Few people realize the wonderful food value and piquancy of dry sausage. It can be used in a great variety of ways. Every particle is edible—no waste. Twenty-one kinds to select from. The "Star" label identifies the highest possible quality.

Buying Suggestions for June

THESE are outdoor days—days too precious to be spent in a hot kitchen. With pantry-shelf and refrigerator stocked with Armour's Oval Label Foods, you can enjoy many extra hours of summer comfort. For most of these foods are ready for the table—others need but a few moments of preparation. The hardest part of the kitchen work has been done for you.

Oval Label Dependability

Quality, flavor and convenience—these are the biggest things you look for in food. So you may get them quickly and easily, we have placed one identifying trademark on all our top-grade products—the Armour Oval Label.

This symbol always assures you Armour's best. And it covers such a wide variety that with a supply of Oval Label foods on hand you are always prepared for any meal emergency. Your dealer has, or can quickly get, Armour Oval Label Foods for you. Ask him.

Armour's Star—the "Ham What Am"—can be served in more appetizing ways than any other meat food.

With meals—between meals—for all occasions—Armour's *What Am* Grape Juice is the nationally popular beverage.
