

Some appetite!

You'll know you have it when a fragrant, tempting plate of Campbell's Tomato Soup is placed before you! Your appetite may have been indifferent before, but it will sparkle at the very sight and the taste of this delicious blend of all that is tonic and tasty in luscious Jersey tomatoes.

Campbell's Tomato Soup

is made from the finest fruit that grows—sun-ripened aristocrats of the vines, laden with juiciness. We use only the pure tomato juices and the fruity parts strained to a rich, smooth puree, made richer still by butter such as you serve on your own table. A soup so appetizing and refreshing that you never tire of it!
