BERT WHEELER

"Right!" says Marie Gifford of Armour's, who adds peas and hot buttered biscuits, to bring you the Meal of the Month for June

ON the screen they're "The Nitwits," but when it comes to picking the dish most popular with men, Wheeler and Woolsey certainly know the answer—Corned Beef Hash! And now Armour takes their rip... Marie Gifford gives you a perfectly balanced menu... and your dealer, by special arrangement with Armour, features the complete meal all during June. Costs little... takes only 15 minutes to prepare... will delight every member of your family!

### Cloverbloom Butter, fresh from dairyland

Two Armour products make this meal supremely delicious—Armour's Star Corned Beef Hash and Armour's Cloverbloom Butter.

The hash—prepared by expert chefs in Armour's immaculate kitchens—is a blend of the choicest U. S. Government inspected briskets, cured the exclusive Armour way, and diced potatoes, carefully selected for size and quality and cooked to just the right degree of "doneness." A mild seasoning—voted the outstanding

favorite in hundreds of tests—gives it a unique and wonderfully appealing flavor.

The butter, Armour's Cloverbloom, is fresh from dairyland. Tested three ways for purity! Containing the richness of eight half-pints of table cream in every pound! Place a generous par on the peas, and in each hot biscuit. A happy reminder of fresh green meadows, and the radiance of spring!
