 seasoning~

EAT SOUP  
 AND KEEP WELL

# Appetites always respond eagerly to Chicken Soup!

Everybody likes chicken soup. It's such a universal favorite that it appears regularly and often on the home table—certain of enthusiastic welcome every time. What a soup it is, to cheer and invigorate!

Naturally people turn to Campbell's to supply them with this favorite. And as a result Campbell's Chicken Soup has an enormous popularity that is nation-wide.

Plump, tender chickens that would delight the eye of the housewife. As daintily dressed and prepared as if they were to be

served on your own table. The whole chicken is used in making Campbell's Chicken Soup and the choicest meat—white as well as dark—invites you in those tender pieces you like to eat so much. Tasty broth; light, fluffy rice; snow-white celery, fresh parsley, herbs, and seasonings, all are in this justly popular soup.

For the family table, for the children, for the invalid, Campbell's Chicken Soup is an ideal selection to serve frequently. Supply yourself today. *Although it's Chicken Soup, it costs no more than other Campbell's soups.*
