
SECOND HONEYMOON

Ten Years Married!

HAPPY the woman whose husband still adores her after ten years of married life! She has kept his home neat and comfortable; she has fed him well — but when evening comes she still has step enough left to go to the movies and have a grand and glorious time!

One of the things which will make your housekeeping much easier is Franco-American Spaghetti. This delicious spaghetti is already cooked and serve it on the table in a jiffy — your whole family will love it — and it's a great economy for these days of high food prices to serve meat at least only every other portion.

Give the children Franco-American for lunch with milk, and for dinner Franco-American is a meal in itself — with cheese

meat into something that tastes like the creation of a French chef? Franco-American combines wonderfully with other foods because of that inimitable and savory sauce of cheddar cheese, sun-ripened tomatoes, and other delicious selected ingredients.

Franco-American has become America's largest selling spaghetti because of delicious flavor, reasonable price and high nutritional value. It belongs on your pantry shelf and on your table often each week.

Franco-American is entirely different from ordinary ready-cooked spaghetti — get some today and see how much this means to your husband. He will say you're a fine cook. And, dear lady, you'll have step enough left to enjoy yourself.
