CORONATION SALAD. Soften 2 tbsp. gelatin in ¼ c. cold water; dissolve in ¼ c. boiling water; add 2 tbsp. sugar; cool. Add ¼ tsp. salt, 2 tbsp. lemon juice, 1 tsp. scraped onion, and 1 c. grated drained cucumber. Soften 2 3-oz. pkgs. Philadelphia Brand Cream Cheese with ¼ c. gelatin mixture. Chill rest of gelatin until partially thickened; beat with rotary beater until foamy. Combine with cheese; pour into ring mold; chill until firm. Unmold; fill center with lettuce; surround with cinnamon pears in lettuce cups. Serve with Miracle Whip.

"MORE SALAD PLEASE, MOM!" Miracle Whip's lively "different" flavor, and special creaminess, give salads brand new goodness. A unique type of dressing, Miracle Whip combines the qualities of old-fashioned boiled dressing and fine mayonnaise. Zippy, zesty, but not sharp — the one and only Miracle Whip is far and away the most popular salad dressing ever created!
