

P124

BREAD keeps little beavers eager!

HERE'S WHY:

Look at all those good foods you get in enriched bread — foods rich in vitamins, protein, calcium, iron and other necessary elements!

They make enriched bread a splendid source of the energy children need to get on with the hard day's work.

on the peanut butter for lunches and between-meal snacks!

Remember! Penny for penny, enriched bread (the kind a baker bakes) provides more of the things the body needs — more generously — than any other food!
