So! It's a sultry summer day and time to get lunch, and your family's appetites are just—well, so-so. Cheer up. I've help for you: Make up a tempting platter of their very favorite sandwiches. Take down from your soup shelf a can or two of their best-liked soup (4 minutes fixin' time, you know). Be sure to let your folks catch a tantalizing whiff of that good soup as you set it on the table. I don't think you'll have to call them *twice!*

Every meal, you know, needs one hot dish—and hearty soup's a "natural". Soup stimulates appetites, says "Let's eat!" It's easy to digest... it's nourishing... and by contrast soup makes your cold foods taste better.

Here are 24 ideas for easy, happy summertime eating. Is your soup shelf stocked—ready?
