

**In 15 minutes you create  
a meal with a new mood!**

**T**ruly it's been said "variety creates an appetite." So go all the way . . . create a meal with an entirely *new mood*. Get Chun King Chicken Chow Mein in the new flavor-guard Divider-Pak®. Here is Cantonese food at its finest because it has been cooked and packed by Chun King in a very special way.

Meat and sauce are in the top can. Six choice chow mein vegetables are

cooked *individually*, then packed in the bottom can. That way — *flavor stay fresh, vegetables stay crisp*. You just heat the contents of the two cans together, pour over crisp Chun King Chow Mein Noodles, sprinkle with Chun King Soya Sauce — and you've created an entirely *new mood in food*.

3 kinds: Chun King Chicken Chow Mein, Beef Chop Suey and Mushroom Chow Mein.
