Dromedary Presents A New Angel Food Mix

Inspired by the historic recipe used in the Birthplace of Juliette Gordon Low, Founder of the Girl Scouts of the United States of America

Angel Food, indeed! Light as a moonbeam, fluffy as a summer cloud, white and moist as a fresh snowfall—that's the kind of Angel Food Cake you'll bake with Dromedary Early American Angel Food Mix. And, as any good cook knows, the secret is in the recipe. Dromedary has turned to a favorite recipe used

in the Birthplace of Juliette Gordon Low, founder of the Girl Scouts. The inspiration for this new mix—a veritable masterpiece of the baking art—was found in an old family cookbook. Result: an Angel Food Cake that bakes high and light and with a yummy crust and flavor all its own.

Dromedary is the only Angel Food Mix wrapped in Glittering Gold Foil to keep it mixing-bowl fresh. Once again, Dromedary makes baking history with another historic recipe. You, too, can make history at your own table if you bake a Dromedary Angel Food Cake—soon!

Dromedary received the rights to the Angel Food recipe used in the Juliette Gordon Low Birthplace in return for its support of the restoration and endowment of that historic home now owned by the Girl Scouts of the U.S.A., a member organization of the National Trust for Historic Preservation.
