

"Who's been eating my Corn Flakes?" Even with wide-awake little goldfish-like this around to keep an eye on the supply, more families ran out of Kellogg's Corn Flakes this morning than any other cereal. It happens every day, because Kellogg's Corn Flakes just naturally taste best to most people. Always have. Still do. Is it any wonder so many folks pick up a spare package of Kellogg's Corn Flakes every time they buy any cereal of any kind?
