

How to fix a sumptuous turkey dinner in minutes!

When you don't have hours to spend, yet hanker for a luscious turkey dinner—whenever you've no time to do justice to a home-cooked meal—slip a Swanson TV Brand Turkey Dinner into your oven. No thawing. Just heat for 25 minutes in its individual serving tray. Then enjoy the most delicious turkey dinner ever. Thick slices of tender turkey—real turkey gravy and corn bread dressing—mashed potatoes and fresh garden peas. All this with no work before—no dishes after. Keep Swanson TV Brand Turkey Dinners in your freezer always. They'll come in handy when Dad's "substituting" in the kitchen, when the teen-agers take over the cooking—on so many busy days.
