# ANY OF 77 different baked treats from one "make-your-own" mix

You make your mix this easy way (In less than 10 minutes!)

A MARTHA LOGAN RECIPE

## SWIFT'NING MAKE-YOUR-OWN MIX

Yield: About 13 cups  
Use standard measuring cups and spoons.

2 cups Swift'ning  
9 cups sifted all-purpose flour  
1 tablespoon salt

¼ cup (4 tablespoons) double-acting baking powder (like Calumet, K-C, and Clabber Girl)

Combine sifted flour, salt and baking powder. Stir well. Sift into a large bowl (or large pan or onto heavy paper). Add Swift'ning. Use finger tips or pastry blender to distribute Swift'ning throughout dry ingredients until the mixture resembles coarse cornmeal. The Make-Your-Own Mix is now ready to use, or store on pantry shelf in a closed canister or 3 quart jars.

Martha Logan says: "This 'Make-Your-Own' Mix was developed especially for rich 'quick-mix' Swift'ning. We can't promise success with any other shortening."

You store it in the pantry  
(You're sure a success in your homemade mix!)

You use it (adding other ingredients as needed) to make any of 77 family-tempting treats
