

Visking Sausage Round-up OUICK and easy LUNCH at home, for work, for school

BOLOGNA LUNCH BOX SANDWICH—the nourishing meat they need at work, at school is ready for lunch boxes with no cooking, no fussing. Here's a fast feast. Thrifty, too!

7-MINUTE MEAL—quick and hearty. Just heat, don't cook, SKINLESS frankfurters 7 minutes off the fire in water you've brought to a boil. Use canned shoestring potatoes, peas.

LUNCHEON PLATE—ready-to-serve sausage meats save you time and the bother of cooking. Here, cooked salami, cervelat, and New England ham sausage for a hearty funch.

What for lunch? At home and for lunch boxes, sausage is the answer—quick, delicious, nutritious, economical. Growing youngsters and active adults need the energy this all-meat gives. Full of vitamins, minerals, complete proteins. Extra flavory, too, when it comes protected in clear, pure Visking casings. Always keep several kinds of sausage on hand and keep the family happy. Variety's the life of lunch—with sausage!
