at has enough food energy for marching  
blocks in a holiday parade

or practicing "Stars and  
Stripes Forever" 11 times?

## One Armour Frank.

Hot dogs are as much a part of a parade as food energy is a part of Armour Star Franks. Here's the fun way to find the meat proteins and other nutritional elements our bodies need. And, Armour is where you'll find that all-American flavor: a great combination of beef and pork, lightly seasoned, completely cooked, and gently smoked. Try them once. We bet you'll be serving Armour Stars forever.
