

## Don't wait till Sally brings "him" home.

Serve your family Betty Crocker Noodles Romanoff tonight. Sally's pretty special all by herself. It costs under half a dollar. But it's one of the nicest dinner partners you'll find. Tender egg noodles, aged Cheddar cheese, sour cream, onions and garlic. Maybe it'll just be the regular gang tonight. Throw in a little tuna and make a main dish. Treat them like guests.

tonight!
