

# At what age should children tell their parents about Quik?

hat time I was  
er. She sat down  
id, "The  
gain.

with the boy  
ner with a fri  
t he was hangi  
followed me. Th  
ere he comes."  
to try it, "With  
g?"

ic. He says that  
d now."

is name's Voda  
mself Petrov?"  
er. She looked u  
d in a low voice

irritably, "Oh. c  
ow that you wer  
rov because I saw  
together. So stop  
nd tell me what  
I simply pack u  
th me and go, an  
your own mudd  
her breathlessly  
at, Jim—not lea

would if I have an  
-crossing stuff.  
with me I want  
ou."

long pause and th  
All t. What d  
"I  
have you really

ive years ago in  
d you pretend. an  
you'd never me  
ght it better .  
know," she said

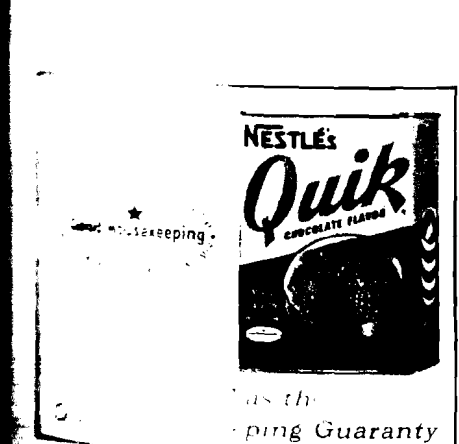

thought I shou

y, "You flatter yo  
should I care how  
nds you have? Wh  
ris anyhow?"

n his way home  
as in Paris for a c  
—" She shrugged  
re you are."

as there in that to  
ut? You meet a  
and you come to  
s in Belgrade and  
s wrong with that?  
d for a moment and  
There's rather more  
His name isn't P  
s that mean anythi

wouldn't have until  
ve been talking to  
Embassy, and no  
lot's the man  
n the government?"  
hesitated again and  
oice, "He gave up e  
back. He had a wor  
erica, and then his f  
and said that the cot  
hat was when I met  
as on his way back  
it was the duty of  
to come home and

Many precocious parents have already learned the facts of Quik from their kids. Such as — Quik's delicious chocolate flavor gives you the grown-up taste experience you want in a tall, cool drink. Quik is rich in vitamin C and Iron to help you keep up with your kids. Easy-to-mix Quik dissolves instantly in cold milk, leaving no syrupy mess to clean up. So next time you want cool, quenching refreshment and the energy lift that goes with it — think of Quik, Nestlé's® Quik®! Nothing could be simpler. And if your kids didn't leave any in the
