Super Sugar Crisp[®] has added vitamins.

Keep an eye on your kid.

Post Super Sugar Crisp has vitamins a kid can love. Just one bowlful of those honey-tumbled puffs of wheat gives your kids essential vitamins,* all they need for breakfast. Give 'em a bowlful tomorrow. And see how they go.

*One bowl (1 oz.) provides 33 1/3% of every minimum daily vitamin requirement officially established by the U.S. Government.
