

# *Make the most of their “Wonder Years”*

***The “Wonder Years”—one through twelve—are the formative years when you can do the most for your child’s growth***

During these years your children develop in many ways — actually grow to 90% of their adult height. To help make the most of their “Wonder Years,” serve them nutritious Wonder Bread. Every delicious slice is carefully enriched with foods for body and mind. To a child these wondrous early years seem endless. But for a parent they slip by like a warm spring day. So make the most of their “Wonder Years.” Serve Wonder Bread—for enjoyment, for enrichment.

***Wonder Bread helps build strong bodies 12 ways!®***
