

TENDER TRAP

67K

French girls are born knowing it. Swedish girls learn it at their mothers' knee. And American girls are quick studies. You know, about how a boy chases a girl until she catches him. The tender trap. And every girl who sets one knows how to do it. But don't forget this: boys love to eat. And they love Wonder sandwiches. And Wonder helps build strong bodies 12 ways... so see how good *you* are for him. Get Wonder going for you, too. Set your tender trap with Wonder as bait. You can't lose.
