

Introducing Burry's Best.

"Cookies
like Mother
used to make."

You remember. The way cookies were made a long, long time ago, when nobody ever skimped on the baking ingredients. That's the way we bake all five varieties of Burry's Best. Like Chocolate Chip Cookies, lavish with big chunks of chocolate. Cocoa-rich Sugar Fudge Cookies. Toasted Coconut Macaroons. Lightly-Lemony Sugar Cookies. Raisins and spice Oatmeal Cookies. When you taste the rich, homemade flavor of our cookies, you'll see why we're proud enough to call them our Best.

All made with
pure vegetable shortening

They're all **BURRY'S BEST**... and that's saying a lot!
