

**F**or the fresh just-made taste of an old fashioned meal, or any meal, you've got to start fresh. And Oscar Mayer helps with CREATE A DINNER™ Tomato Sauce with Beef. Lots of good lean ground beef simmered in a specially prepared sauce blended from red ripe tomatoes and other good things. With just a pinch of spice. All made fresh so we put it in the refrigerated meat section to keep it fresh. (And ensure that

just-made taste with a full freshness date.)

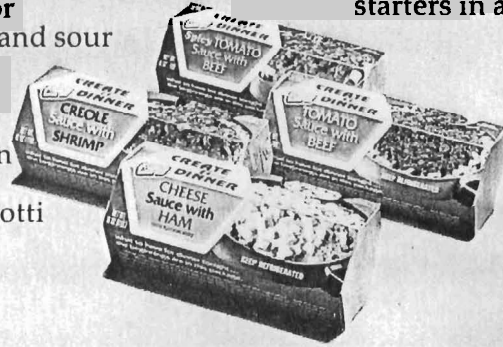

**MAY 15**

Just start your good cooking with CREATE A DINNER™ main meal starters and the recipes on the package

mozzarella and cottage cheese make a great Manicotti.

Or, ingredients you probably have on hand to make meals in minutes that you know will taste fresh, because they start fresh with Tomato Sauce with Beef. It's just one of four CREATE A DINNER™ main meal starters in all.

that call for macaroni and sour cream to make a hearty Hungarian Goulash. Or, manicotti shells,
