# Have dinner for lunch.

When this man works, he works hard. And he has to keep going until the job is done. He can build up quite an appetite.

A man like this needs a lunch that can really stay with him through the day.

That's where Dinty Moore comes in.

Dinty Moore Beef Stew contains the same good things you'd expect in a good dinner. Meat, potatoes, carrots and a good meat gravy with bits of beef right in it. Mmm!

A meal like this really satisfies, just like a good dinner. It's just more convenient.

So you can have it for lunch.
