# LOVE STORY

When tender, exotic California Avocados meet their perfect match, velvety smooth Kraft Mayonnaise, the mayonnaise lovers' mayonnaise, beautiful things are sure to happen. See them happen when you try these two:

*Summer Delight*—First, choose a ripe avocado, one that yields gently to pressure. Then arrange avocado slices around the sides of a brandy snifter and layer grapes, peach slices, blueberries, melon balls, and fresh strawberries cut in half, in the center. Serve with a tangy Topaz Dressing: Combine 1 C. Kraft Mayonnaise, 1/4 C. coconut, 2 T. honey and 2 T. grated orange rind. Fold in 1/2 C. heavy cream, whipped. Chill. Sprinkle with additional grated orange rind, if desired. Makes 2 1/4 cups dressing.

Division of Kraftco Corporation

*Hollywood Potato Salad*—Combine 3 C. diced potatoes, 1/2 C. sliced celery, 4 slices crisply cooked bacon, (crumbled), 3 T. sliced green onion, 3 T. chopped pimiento, 2 tsp. Kraft Prepared Mustard, 1/2 tsp. salt and 1/8 tsp. pepper with enough Kraft Mayonnaise to moisten; toss lightly. Chill. Then spoon into avocado halves and arrange on lettuce. 8 servings. Variation: Peel and dice 2 avocados, add to potato salad and moisten with additional mayonnaise. Toss lightly. Serve in lettuce-lined bowl.
