

You're a busy woman
and you serve Mrs. Paul's foods.

Because you know you're serving foods that are made just like you'd make them.

Like Mrs. Paul's Fish Sticks and Fish Fillets.

Select tender fish dipped in milk, covered with deliciously seasoned
breadcrumbs, and then deep fried to perfection. Just like you'd make them yourself.

Except with Mrs. Paul's, you just heat, serve and enjoy!

Mrs. Paul's makes Fish Sticks and Fish Fillets just like you'd make them.

Because you've got plenty to do.
