**Mrs. Paul's makes Onion Rings.**

You're a busy woman and you serve Mrs. Paul's foods. Because you know you're serving foods that are made just like you'd make them.

Like Mrs. Paul's Fried Onion Rings. Thick, juicy slices of sweet onions dipped in a delightfully seasoned batter and deep fried to perfection . . . just like you'd make them yourself. Except with Mrs. Paul's, you just heat, serve, and enjoy!
