SOMETHING SPECIAL FOR THE MAN WHO'S HAD EVERYTHING.

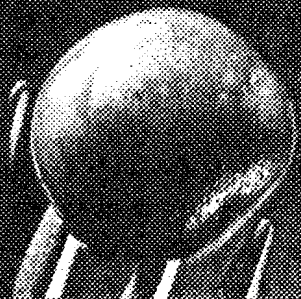

As much as you might spoil and pamper your husband, a lot of husbands still don't get too excited about ordinary vegetables. So, for husbands who've about had it with things like plain peas, we've got something very special. Seabrook Farms brand gold label deluxe vegetables.

Some are ordinary vegetables, but of extraordinary quality. Like baby lima beans or petite peas. The youngest, most tender peas you can pick. Husbands like them because they're not at all like plain peas. Others are especially good just because they're so

special. Like crisp Chinese pea pods, selected mushroom buttons or baby brussels sprouts—it's their tenderness and flavor that makes them so special.
