

sugar. Mix gently. Set aside.
 When gelatin mixture has thickened, fold in fruit mixture. Turn into a 4-cup mold or 8 individual (1/2-cup) molds. Refrigerate 4 hours (2 hours for individual molds) or until set.
To unmold: Loosen gelatin around edge. Quickly dip into warm water. Place serving plate over mold. Invert.

This also makes a refreshing drink to keep on hand in the refrigerator.

to 6 pounds watermelon
 1 (12-oz.) can apricot nectar
 1/2 cup lime juice
 2-4 Tb. honey

Pour juice into a large bowl. Add apricot nectar, 1/2 cup lime juice and 2 to 4 tablespoons of honey, to your taste. Stir until honey is dissolved. Refrigerate to chill 2 hours or until serving time. Serve in soup or bouillon cups. Float a lime slice on top of each, if you wish. Serves 6 to 8.
