I don't have a
sandwich
appetite."**

**I've got a
Manwich
appetite."**

Even if you've never tried it, one look tells you: no skinny little sandwich satisfies an appetite like Manwich.

Your fresh ground beef plus Hunt's® Manwich Sauce; thick with tomatoes, sweet onions, crisp bell peppers, and our special blend of ten spices and seasonings. C'mon, Mom. Try Manwich on that hungry gang of yours this week.

A sandwich is a sandwich, but a Manwich is a meal.
