## Live Events Internship:

Are you looking for an exciting, unique internship to get into the music industry?

GameChangerWorld is currently hiring for an intern! This program allows you to see EVERY aspect of how a concert venue, music business, and music festivals run. You will be involved in helping every department prepare for our music festivals (Skate & Surf, The Rock Carnival, Adventure In The Park...just to name a few), concerts, events, social media, marketing, and also assist in our day-to-day business operations.

This internship is the perfect program if you are a SERIOUS team player and strive to have a career in the music industry!

\*College credit is not required, although we strongly prefer students enrolled in school to apply\*
