Graphic Design Internship:

The State Theatre is seeking an innovative graphic design intern to design and produce marketing materials for the State Theater in a Mac-based environment. The paid internship requires a minimum of 20 hours anytime between Mon-Fri (9am-5:30pm).

Responsibilities

Design and produce promotional material such as posters, flyers, advertisements, brochures, etc.

Design web graphics for the State Theater website and internet advertising.

Various administrative duties such as cutting flyers, hanging posters, preparing items for distribution.

Assist the Art/Web director with the creative workload.

Requirements

High proficiency in the Adobe creative suite: Adobe indesign, Adobe photoshop, Adobe illustrator.

Strong typographic skills, ability to accept criticism, and a good eye for proofing.

Knowledge of Quark Xpress, Dreamweaver, video editing, and HTML is a plus.
