## Universal Music Group **FALL 2016 INTERN**

Interested in the music industry? Want to learn more about Universal Music Group? Are you currently a full time student enrolled in a College or University? Our Intern Program is a great way to gain real hands on experience and professional exposure. The Intern Program is designed to provide motivated and interested students with knowledge of the music entertainment industry. Today's students will become tomorrow's leaders, and our goal is to provide these individuals with a meaningful, educational and fun work experience!
