

MONMOUTH UNIVERSITY
COUNSELING ALUMNI CONNECTION

PEER CONSULTATION GROUP

The mission of the Peer Consultation Group (PCG) is to provide an informal, confidential forum for mental health counselors to discuss clinical issues that arise in practice and to process reactions to clients. The PCG was created for counselors, by counselors.

The Counseling Alumni Connection invites all LACs, LPCs, and recent Clinical Mental Health Counseling program graduates to join their monthly meetings, which provide the opportunity to:

- ❖ Process cases, clinical challenges and offer solutions
- ❖ Develop therapeutic skills
- ❖ Explore strengths and weaknesses in a supportive environment
- ❖ Network with mental health professionals
- ❖ Identify employment/internship opportunities

PCG Facilitator:

Tatiana Grant, MS, LPC, NCC

For more information about the PCG including how to register for upcoming meetings, please visit:
