

World Languages Requirement

Do Three Things:

Take the Language Placement Survey:
click here to go to the MyMU Portal.

What languages will you take at Monmouth? Arabic? Chinese? French? German? Irish? Italian? Latin? Spanish? American Sign Language? Tell us what you have in mind and we will direct you to your next steps. Print a copy for your records.

1

IMPORTANT:

Do this at least one week before your advising appointment.

Take the Language Placement Exam

(If you are directed to do so - some students will be able to skip this step)

If you have prior experience with the language, take the online placement exam for that language.* Although there is no actual time limit when you take the test, give yourself 20 to 30 minutes. You'll know right away which class to take. Print or save a copy for your records.

2

* There are no exams for Arabic, Irish, Latin, or ASL. Your advisor will help with placement in these languages.

IMPORTANT:

Do this at least one week before your advising appointment.

Speak with your Advisor

Have your survey and/or exam results handy when you meet for advising. They will help you add the class to your schedule.
