## Small Research Grants

**Sponsor:**

Association of Women's Health, Obstetric and Neonatal Nurses

**Deadline:**

12/1/2015

**Description:**

Supports several programs that make one award each. Designed for novice and experienced researchers who are AWHONN members. Provides seed money, pilot funding, or total funding for small projects that offer promising contributions to nursing knowledge in clinical practice. Research must focus on women's health, obstetrics, or neonatal nursing. Studies that are clinically relevant &

outcome-based are a priority. Projects that focus on the nurse's role in delivering cost-effective care will also be considered. Institutions are the applicants. Annual deadline: 12/1. ## MCH Research Program

[Work on this opportunity in In4Grants](#)

**Sponsor:**

Health Resources and Services Administration

**Deadline:**

11/6/2015

**Description:**

Supports applied research relating to maternal and child health services including services for children with special health care needs. Research proposals should address critical MCH questions such as public health systems and infrastructure, health disparities, quality of care, and promoting the health of MCH populations. Also supports Secondary Data Analysis Studies (10 awards) and Policy Analysis Program (TBD). See <http://mchb.hrsa.gov/research/funding-opportunities.asp> for updates. ## Pre-application: Opportunities for Collaborative Research (X02)

### Sponsor:

National Institutes of Health

### Deadline:

12/15/2015

### Description:

Supports collaborative translational research projects aligned with NIH efforts to enhance the translation of basic biological discoveries into clinical applications that improve health. It encourages high quality science demonstrating the potential to result in understanding an important disease process or lead to new therapeutic interventions, diagnostics, or prevention strategies within the research interests and priorities of the participating NIH Institutes/Centers (ICs). Annual deadline: 12/15. Program expires 12/16/17. See <http://grants.nih.gov/grants/guide/pa-files/PA-15-286.html> for details. ## NIH Support for Conferences and Scientific Meetings

### Sponsor:

National Institutes of Health

### Deadline:

12/12/2015, 4/12/2015, 8/12/2015

### Description:

NIH-wide program supports meetings (parent R13; cooperative agreement-U13) that are relevant to NIH's scientific mission & to public health. Supports symposiums, seminars, conferences, workshops or formal meetings where persons assemble to coordinate, exchange, and disseminate information and/or explore a problem, or area of knowledge. Support is contingent on fiscal and programmatic priorities of the individual ICs. PI must present letter from IC staff documenting permission to apply. PA expires 9/8/16. Annual deadlines: 4/12, 8/12, 12/12. See <http://grants.nih.gov/grants/guide/pa-files/PA-13-347.html> Email: [R131@mail.nih.gov](mailto:R131@mail.nih.gov)

## National Research Service Awards: Individual Senior Fellowships (F33)

### Sponsor:

National Institutes of Health

**Deadline:**

12/8/2015, 4/8/2015, 8/8/2015

**Description:**

Supports experienced scientists seeking to make major changes in the direction of their research careers, or to broaden their scientific background by acquiring new research capabilities. Awards enable individuals with at least seven years of research experience post-doctorate, who have progressed to the stage of independent investigator, to receive training to increase their scientific capabilities. Annual deadlines: 4/8, 8/8, 12/8 through 1/8/17. See <http://grants.nih.gov/grants/guide/pa-files/PA-14-151.html> Email: [nancy.desmond@nih.gov](mailto:nancy.desmond@nih.gov)

## Conference Grants to Advance Collaborative Research on Aging Biology (R13)

**Sponsor:**

National Institutes of Health

**Deadline:**

12/12/2015, 4/12/2016, 8/12/2015

**Description:**

This funding opportunity encourages the submission of conference grant applications in scientific areas that will foster extramural research on the molecular, biochemical, cellular, genetic, and physiological mechanisms underlying normal aging and related pathologies. NIA is particularly interested in promoting and facilitating team science to allow researchers at all levels of training to exchange ideas, tools and approaches in an effort to increase collaborative research. Annual deadlines: 4/12, 8/12, 12/12. Program expires 5/8/18. See <http://grants.nih.gov/grants/guide/pa-files/PA-15-265.html> for details. ## Cutting-Edge Basic Research Awards (CEBRA)

**Sponsor:**

National Institutes of Health

**Deadline:**

12/18/2015, 8/19/2016

**Description:**

Supports research (R21) related to drug abuse and addiction and how to prevent and treat them, especially high-risk and potentially high-impact studies that are underrepresented or not included in NIDA's current portfolio. It is not intended for incremental research or research extending ongoing programs. The review is convened by NIDA and expedited funding decisions are used. Program expires 12/21/17.
