

# Find an In-Network Lab

Below is a list of in-network Laboratory Corporation of America Holdings, Inc. (LabCorp) and Quest Diagnostics (Quest) laboratory testing facilities arranged by state. This information is accurate as of March 2018. Depending where services are rendered, you may be able to receive services at LabCorp and/or Quest. LabCorp is the exclusive in-network clinical laboratory services provider for Horizon BCBSNJ managed care members<sup>1</sup>, and a preferred provider of clinical laboratory services for Horizon PPO and Indemnity members. Please verify in-network coverage with the lab before services are rendered.

Visit [labcorp.com](http://labcorp.com) to find a lab.

Visit [questdiagnostics.com](http://questdiagnostics.com) to find a lab.

<sup>1</sup> Pathology services provided in a hospital setting to members enrolled in Horizon BCBSNJ managed care plans by a practice that participates in the Horizon Managed Care Network are allowed as an exception to the above-described Labcorp exclusivity requirements.

<sup>2</sup> Laboratory work should be performed through in-network hospitals.
