**The amount of the loan approved may be limited by federal regulations. In general, students may borrow up to the difference between the cost of attendance and the total of all financial aid awards. Monmouth University urges families to limit borrowing and exercise prudent judgment to keep loan debt to an absolute minimum.

Step 2

If Direct Loans approves your credit, you will need to complete both the on-line **Graduate PLUS Loan Entrance Counseling** and **Federal Direct Graduate PLUS Loan Master Promissory Note (MPN)** at www.studentloans.gov using your **FSA ID to sign in**. Make sure you read and follow all steps. Your MPN will serve as the note for **ALL GRADUATE PLUS** loans that you borrow throughout your enrollment at Monmouth University.

Step 3

If Direct Loans denies your credit, you will have the opportunity to either appeal the decision or add a credit-worthy endorser to the loan.
