### Medical Trauma: Emotional Implications and Crisis Intervention

*Presented by Alison Kulick, MS, LAC, NCC, CVT*

**Thursday, March 12, 2020 | 6:30-8:30pm\***

*\*Please note the start time of the event. Check-in will begin promptly at 6:00pm.*

Monmouth University Edison Atrium

\$20 for Alumni and Professionals

Free for Current Students

**2 CE Hours will be provided.**

#### Presentation Description:

Traumatic medical events such as illness, diagnostic, or therapeutic procedure can have a myriad of emotional consequences which can include PTSD, chronic anxiety, panic attacks, and avoiding having necessary medical procedures. This presentation will discuss the physical and psychological challenges associated with medical traumas, and therapeutic interventions which may help mitigate the emotional suffering of these profoundly distressing scenarios.

Those interested in attending this presentation must register in advance via this link by

**Monday, March 9<sup>th</sup>:** <https://pcevents.monmouth.edu>
