

# MONMOUTH UNIVERSITY

## Doctor of Occupational Therapy Program Observation Form

Monmouth University's Doctor of Occupational Therapy program requires 60 hours of observation in a minimum of two practice settings that must be completed prior to admission to the program. Examples of settings are: adults, geriatrics, pediatric, wellness, LTC, hospitals, community centers, primary care, etc. This form will need to be completed by the occupational therapist or occupational therapist assistant at each site observed.

**This form must be uploaded to OTCAS and submitted by the application deadline in order for your application to be considered complete.**
