**PEER  
CONSULTATION  
GROUP (PCG)**

The mission of the Peer Consultation Group is to provide an informal, confidential forum for counselors to discuss clinical issues that arise in practice and to process reactions to clients.

The Counseling Alumni Connection invites all LACs and LPCs to join its monthly meetings, which provide the opportunity to:

- ❖ Process case conceptualizations
- ❖ Share clinical challenges and offer solutions
- ❖ Develop therapeutic skills
- ❖ Explore strengths and weaknesses in a supportive environment
- ❖ Network with mental health professionals
- ❖ Identify employment/internship opportunities
