

Demand For Used Cars Is At An Unbelievable Level!

**We Need Your Car
NOW!**

We have gone through our records and have found that you are currently leasing a vehicle that is in high demand!

And since there are only about 6 months left on your lease, now is a GREAT TIME to get out of your current lease without any remaining payments and get into a new Subaru! Under most circumstances, we may even be able to eliminate any lease termination or over-mileage charges!

Please call me at your earliest convenience. It will be my honor to have the opportunity to earn your business once again by having your next Subaru be a WORLD Subaru!
