

Vision plan administered by  **DavisVision**

# Using your vision benefits online

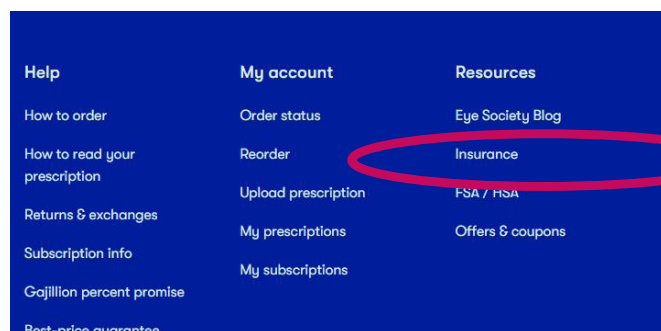

You can enjoy an in-network online shopping experience that includes seamless integration with vision benefits and automatic claims submission through our relationship with **1-800 Contacts**.

## 1 800 contacts®

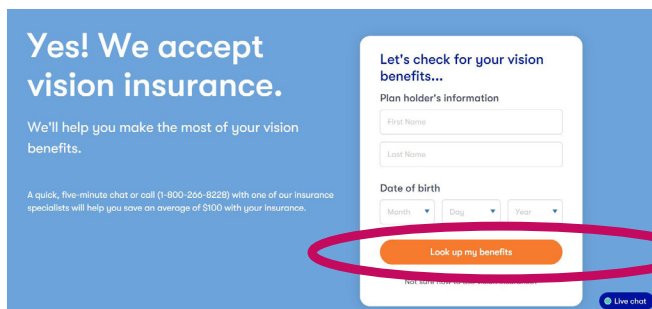

1

Go to **1800contacts.com**. Scroll to the bottom of the home page. Under the section marked 'Resources', select 'Insurance'.

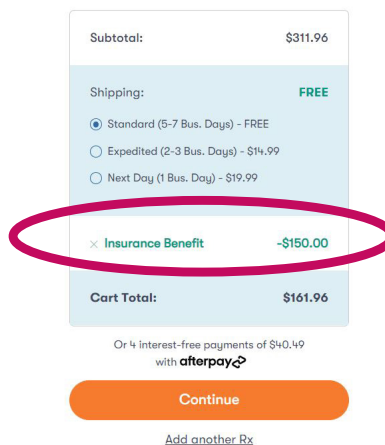

2

On the following page, enter the plan holder's information. Once your information is recognized, click 'Use insurance on my order' and continue shopping.

3

Your vision benefits will be automatically applied at checkout.

For additional information, please contact customer service at 1 (800) 999-5431

# Using your vision benefits online

You can enjoy an in-network online shopping experience that includes seamless integration with vision benefits and automatic claims submission through our relationship with **Befitting**.

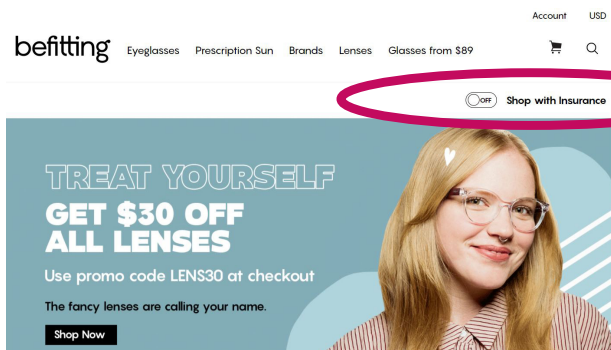

# befitting

a better way to buy glasses you love

1

Go to **befitting.com**. At the top right of the home page, turn the 'shop with insurance' slider on.

2

On the following page, select your vision insurance provider from the dropdown menu, then enter your personal information or plan information.

## Shop with Insurance

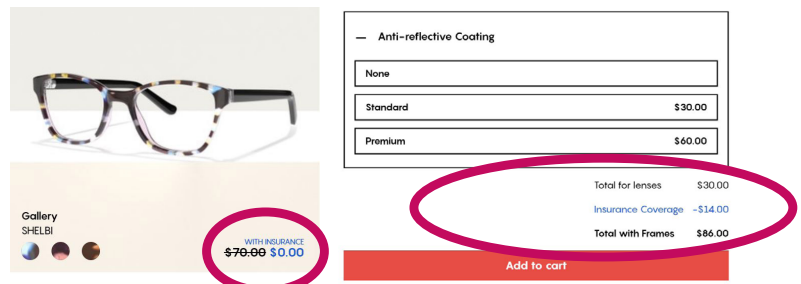

Provide the details below to see your vision insurance benefits applied as you shop. No need to submit a network claim form, so you save time and money.

Select In-Network Provider

Submit

3

Once your insurance information is recognized, click 'Continue shopping'. You will be able to see your vision insurance benefits applied as you shop. There is no need to submit a network claim form.

For additional information, please contact customer service at 1 (800) 999-5431

# Using your vision benefits online

You can enjoy an in-network online shopping experience that includes seamless integration with vision benefits and automatic claims submission through our relationship with **Glasses.com**.

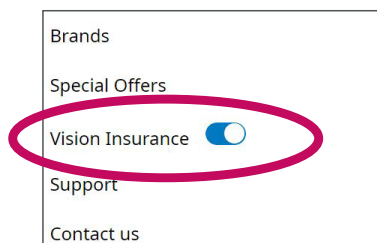

## GLASSES.COM

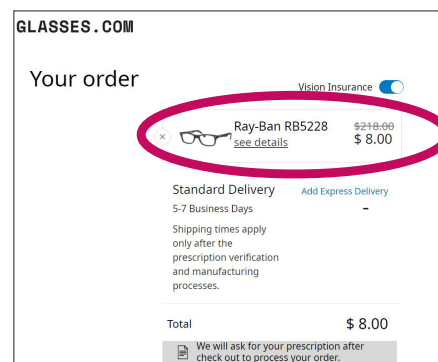

- 1 Go to **glasses.com**. In the upper right hand of the home page, select the menu icon for more options.

- 2 When the next page loads, click the slider to turn on insurance—enter your name, your vision insurance provider, and ZIP or last 4 digits of your SSN when prompted.

- 3 Browse glasses, select your preferred pair and click 'add to bag'. Go to check out; if the vision insurance slider is turned on, you will see the cost with insurance applied to your order.  
  
Note: Glasses.com is not able to process insurance orders with two or more items in the cart. If you want to leverage insurance with your order, be sure to reduce your cart to a single item.
