# Finding a health care professional to meet your needs

Horizon Blue Cross Blue Shield of New Jersey makes it easy to find a physician, dentist, hospital, ancillary facility or other health care professional in New Jersey and the surrounding areas. You can search for a physician by his/her last name, ZIP code or specialty; you can also use any combination of the three.

To start, visit [www.HorizonBlue.com](http://www.HorizonBlue.com) and click *Provider Directory*. Once your search results appear, you can view additional details about the health care professional or refine your search further.

**You can also use the Horizon BCBSNJ Online Directory to:**

- Perform an Advanced Physician Search using search criteria such as multiple specialties, specific plan, languages spoken and gender.
- Create a custom directory you can print by clicking *Create a Custom Directory* and then entering your search criteria.
