A DELICATE BALANCE: GLOBAL COMMUNITIES AND THE NATURAL WORLD

HONEYLAND

VIRTUAL PANEL DISCUSSION

Thurs. March 11, 2021
at 7:30 pm via ZOOM

*(Directors: Tamara Kotevska,
Ljubomir Stefanov, 2019)*

The last female beekeeper in Europe must save the bees and return the natural balance in Honeyland, when a family of nomadic beekeepers invade her land and threaten her livelihood. Filmed in Macedonia, the film is an exploration of an observational Indigenous visual narrative that deeply impacts our behavior towards natural resources and the human condition. The discussion of the film will be led by **DR. PEDRAM DANESHGAR**, Associate Professor in the Department of Biology and **DR. MIHAELA MOSCALIUC**, Associate Professor in the Department of English.
