Blair LM Kelley, Ph.D. is an award-winning author, historian, and scholar of the African American experience. A dedicated public historian, Kelley works to amplify the histories of Black people, chronicling the everyday impact of their activism. Kelley is currently the Joel R. Williamson Distinguished Professor of Southern Studies at the University of North Carolina-Chapel Hill and the director of the Center for the Study of the American South, the first Black woman to serve in that role in the center's thirty-year history.
